

Habitat

Class: Helping Hand | **Category:** Nature | **Track:** My World

- ☐ 1. Define habitat and select one to study.

- ☐ 2. Learn about your habitat. Record the day and time you looked at it and what you saw.

- ☐ 3. Name, photograph, or draw a picture of the animals, insects, etc., that you see.

- ☐ 4. Name, photograph, or draw a picture of the plants that you see.

- ☐ 5. Describe your habitat and tell about interesting things that you learned.

- ☐ 6. Find verses in the Bible that tell about your habitat.

- ☐ 7. On which day did God create your habitat?

- ☐ 8. Describe what you think the habitat of heaven will be like.

- ☐ 9. Create a habitat.
