

Creation

1. According to Genesis, how many days was Creation week?
2. What did God do on each day of Creation week? Talk about each day and do the following activities:
 - a. Day 1 - Light. Do hand shadows.
 - b. Day 2 - Sky & Sea. Do an experiment.
 - c. Day 3 - Land, plants. Play a game.
 - d. Day 4 - Sun, Moon, Stars. Read a story about the solar system.
 - e. Day 5 - Birds and fish, ocean animals. Make a craft.
 - f. Day 6 - Land Animals and people. Play an animal guessing game.
 - g. Day 7 - Sabbath. Name three things that you like to do on the Sabbath day and sing a song about the Sabbath.
3. What do these verses tell us about Creation?
 - a. Exodus 20:11
 - b. Psalms 33:6-9
 - c. Isaiah 45:12,18
 - d. Hebrews 11:3

Helps

1. Seven days. Genesis 1:1-2:3
2. Suggested ideas:
 - Day 1 - Search for hand shadow ideas and have each child do a few.
 - Day 2 - Search for ideas on water experiments pertaining to water and weight. Search for ideas with air experiments such as using wind
 - Day 3 - A game possibility is On the River on the bank, Seed sorting activity
 - Day 4 - Check local library for resources or online book/article
 - Day 5 - Suggestions: Origami fish, bird feeder, could do a food snack craft
 - Day 6 - Suggestions:

Animal Sounds Game: Divide children into groups, have them guess what sound each group makes or Play sound via electronic method and have children identify.

What's in the Box Guessing game: Fill several boxes with different animal/people figures and have the children guess by feel what is in each box.
 - Day 7 - Some suggestions might include: walking in nature, visiting friends, doing outreach activities, visiting a nursing home.
3. Read and discuss with the children the listed verses.
