

Shapes and Sizes

Class: Eager Beaver | **Track:** My World

- 1. Make a scrapbook to paste work in. Draw shapes of different sizes on the front cover.
- 2. Know and cut out six different shapes (rectangle, square, circle, oval, diamond, and triangle). Paste in scrapbook.
- 3. Make a picture using different shapes (can cut shapes out of construction paper). Put in scrapbook.
- 4. Take a walk and look for different shapes. Is there any shape you see more often than others?
- 5. Sizes: Distinguish between small, medium, and large.
- 6. Using blocks or other objects, play a game using different sizes. Ask questions such as: Which is big, bigger, biggest, small, smaller, smallest, etc.
- 7. Draw, colour, or paint a picture of different-sized objects and tell which is small, medium, and large.
